It is by such means as this, that Douglas's friends electioneer for him? The writer knew friends electioneer for him? The writer knew when he attributed this sentiment to Mr. Breckindge that it was false. When he put that language in the mouth of Mr. Breckindge, he knew he was absolutely perpetrating a forcery. It will be seen that the Conrier, whilst de- zealously with the noble Whig organization of nying the correctness of the language attributed | that State, and so gullantly conducted the canand New Urleans postofices.

The Massachusette Democratic State Committee has decided to call a State convention, to meet

Breckinridge in his Cynthiana speech, is very Mr. Clay. by the Bardstown Democratic editor to Mr. vass that Tennessee gave its electoral vote for careful indeed not to publish what Mr. II. acnally said in that speech as reported by his niable truth that the supporters of Breckinwa triends. The Bardstown editor does not ridge know perfectly well that he stands hange or pervert the meaning of Mr. Breck- no ridge's language in even the slightest degree. of the United States than he does to in-Mr. B., as reported in the papers friendly to herit the throne of Great Britain. They tien to the possions of an indicate

> said-that he would sooner vote for a man Southern heart" and enabling them "to precipi- voice of agreeing with him in religion or for n native than for a man of different religious belief from his own or one born abroad. He declared explicitly that he would rather vote for such, candidate over a foreign-born candidate and against him. Birth-place and religious belief are laid down as among the legitimate tests for the Presidency. Imagine Mr. Breckinridge at the open polls ready to cast his vote. A ticket is presented to him. He asks, "where was this man born?" "In Ireland, sir." "What church does he belong to?" "The Roman Catholic, sir." "Is there any other candidate of equal merit, who is a native-lorn citizen and a Preslyterian?" "Oh yes, sir, there's Mr. John Smith." "Well, then, I vote for Smith, for I would vote for one of my own way of thinking in religion rather than for another, all other things being equal, just as I would vote for a native in preference to a foreign-born citizen, other things being equal."
